

Curbside Clean Up

It's clean up time! Round up the junk from your basement, garage, back yard or attic and get it to the curb for the Curbside Clean Up in Crystal. Here is your chance to pile general junk, broken toys, unusable furniture, scrap metal and appliances at your curbside and the Hennepin Recycling Group will take it for you. For a list of items they will take, visit www.hrg-recycling.com.

Residents who pay the City for curbside recycling service (single family through eight-unit households) may participate in this event. The clean up is a joint program with the City of New Hope. Crystal is divided into five different zones (see map). Collection will occur in the following areas on the designated days.

Have your material at the curb on the first day of collection in your zone by 7 a.m. Trucks will go through your area only once. There will be no repeat trips. If you have questions, call Hennepin Recycling Group Administration at 763-493-8006.
