Ways to Contact the Crystal City Council

City Council Meetings

Crystal City Council meetings are typically the first and third Tuesday of each month at 7 p.m. at City Hall. During the open forum and public hearing portions of the meeting, citizens can speak to the council. During open forum, citizens use the podium and may speak for up to three minutes. Longer presentations may be scheduled through the city clerk. Personal attacks and political campaigning are not allowed. Public hearings are opportunities for public comment on a specific item or project.

Citizen Input Time (CIT)

These informal sessions are with Mayor Jim Adams, City Manager Anne Norris and other council members when available. Residents and business owners are welcome to discuss city related issues, and no appointment is needed. Sessions are the third Tuesdays from January to April, and from September to November, 6 – 6:30 p.m. at City Hall.

Open Houses and Other Events

City Council members regularly attend public meetings, ribbon cuttings, community events and more throughout the year. Citizens are welcome to speak with council members at these appearances. The city's website calendar has information about meetings and events at www.crystalmn.gov.

Social Media

Council members are active on Facebook, Twitter, NextDoor and other social media and online sites to varying degrees. These tools are a convenient and informal way to address the council on issues and concerns. Visit www.crystalmn.gov to connect with the city via social media.

City Website

The city's website offers another alternative for citizens to offer input and raise questions about local government matters. Go to www.crystalmn.gov, "Online Services" at top right and click on "Comments or Questions" in the right navigation bar. You will be taken to an online form. After you have entered the information, click "Submit."
